

MEMORANDUM

To: Board of Regents
From: Board Office
Subject: Student Appeal
Date: March 4, 2002

Recommended Action:

Affirm the final institutional decision of the university.

Executive Summary:

Board members have a packet of confidential materials related to an appeal by a student concerning a finding by the university that the student's complaint did not fall within the Sexual Harassment Policy. A review of the materials submitted by the student and by the University suggests that the University's position be upheld.

It is recommended that the Board, based on the record before it, affirm the final institutional decision of the university.
